

Mary Smith

Speaker and Author

Mary Smith is a dynamic, motivating, and inspiring speaker with a passion for educators. Her talks inspire and motivate educators to take action! Author of three instructional aids for use in the elementary science classroom, Mary is currently working on a book to motivate and inspire teachers to understand the impact they have on their students' lives.

While her messages are designed to be appealing, inspiring, and motivating, she works with the host organization to determine how she can be most useful and deliver the message most effectively for her listeners. Responses to Mary's presentations evidence that she connects to her audience.
